

Spot the Phish!

Name: _____

Directions:

"Phishing" is when a scammer tries to trick you into giving them your password or personal info. Grab a **red marker or pen** and circle the **FOUR** "red flags" (suspicious clues) hidden in the fake email below.

URGENT: YOUR ACCOUT IS LOCKED!!!

Dear Valued Gammer,

We have detected suspicious activity on your account. Your account has been completely locked and you will lose all your games and items forever!

To fix this problem immediately, you must verify your identity. Please reply to this email with your secret **Password** right away.

Or click this link to unlock your account:

<http://www.gamerewards-login-secure.xyz>

Do not wait, or your account will be deleted in 24 hours!

Sincerely,

The Game Admin Team

Hint - Look for:

- A strange sender email address
- Asking for a password
- Spelling mistakes
- Trying to make you panic (Urgent!)
